

## **Sticks Cordless**

HF522SFP 011

## MAIN FEATURES

| Product name / Commercial code | HF522SFP 011  |
|--------------------------------|---------------|
| Product code                   | 39400961      |
| EAN Code                       | 8059019015873 |

| TECHNICAL FEATURE  Power (W)  Type of power control  Voltage (V)  Battery type  Li-le Run time  Up to 45 m  Initial charge  Time to recharge  Charging status indicator  Led - Battery status indicator  Y  Separation system  Single Cyclone Technolo  Filtration system  Washable Microfilt  Bin capacity (I)  Bin with Silver Ion treatment  Turbo power boost  Allergy care plus system  COMFOR  Vertical parking position  Easy bin empty  Quick brush release system  Y  Finger tip controls  Surfaces selector  All floors  | Bagged/Bagless                 | Bagless                   |
|--|--------------------------------|---------------------------|
| Power (W)  Type of power control  2 levels and turn  Voltage (V)  Battery type  Li-li Run time  Up to 45 m  Initial charge  Time to recharge  Charging status indicator  Y  Led - Battery status indicator  Filtration system  Single Cyclone Technolo  Filtration system  Washable Microfilt  Bin capacity (I)  Bin with Silver Ion treatment  Turbo power boost  Allergy care plus system  COMFOR  Vertical parking position  Easy bin empty  Quick brush release system  Finger tip controls  Surfaces selector  All floors   | Main color                     | Grey Titanium             |
| Type of power control  Voltage (V)  Battery type  Li-le Run time  Up to 45 m  Initial charge  Time to recharge  Charging status indicator  Y  Led - Battery status indicator  Y  Separation system  Single Cyclone Technolo  Filtration system  Washable Microfill  Bin capacity (I)  Bin with Silver Ion treatment  Turbo power boost  Allergy care plus system  COMFOR  Vertical parking position  Easy bin empty  Quick brush release system  Y  Finger tip controls  Surfaces selector  All floors   |                                | TECHNICAL FEATURES        |
| Voltage (V)  Battery type  | Power (W)                      | 290                       |
| Battery type Li-li Run time Up to 45 m Initial charge Time to recharge 2 Charging status indicator Y Led - Battery status indicator Y Separation system Single Cyclone Technolo Filtration system Washable Microfilt Bin capacity (I) 0.8 Bin with Silver Ion treatment Turbo power boost Y Allergy care plus system  COMFOR Vertical parking position Y Easy bin empty Y Quick brush release system Y Finger tip controls Y Surfaces selector All floors  | Type of power control          | 2 levels and turbo        |
| Run time Up to 45 m  Initial charge Time to recharge 2 Charging status indicator Y Led - Battery status indicator Y Separation system Single Cyclone Technolo Filtration system Washable Microfilt Bin capacity (I) 0. Bin with Silver lon treatment Turbo power boost Y Allergy care plus system  COMFOR  Vertical parking position Y Easy bin empty Y Quick brush release system Y Finger tip controls Y Surfaces selector All floors  | Voltage (V)                    | 22                        |
| Initial charge Time to recharge Charging status indicator Led - Battery status indicator Separation system Single Cyclone Technolo Filtration system Washable Microfilt Bin capacity (I) Sin with Silver Ion treatment Turbo power boost Allergy care plus system  COMFOR Vertical parking position Y Easy bin empty Quick brush release system Y Finger tip controls Surfaces selector All floors   | Battery type                   | Li-lon                    |
| Time to recharge  Charging status indicator  Y  Led - Battery status indicator  Separation system  Single Cyclone Technolo  Filtration system  Washable Microfilt  Bin capacity (I)  Bin with Silver lon treatment  Turbo power boost  Allergy care plus system  COMFOR  Vertical parking position  Y  Quick brush release system  Y  Finger tip controls  Surfaces selector  All floors   | Run time                       | Up to 45 min              |
| Charging status indicator  Led - Battery status indicator  Separation system  Single Cyclone Technolo  Filtration system  Washable Microfild  Bin capacity (I)  Bin with Silver lon treatment  Turbo power boost  Allergy care plus system  COMFOR  Vertical parking position  Y  Quick brush release system  Y  Finger tip controls  Surfaces selector  All floors  | Initial charge                 | 12                        |
| Led - Battery status indicator  Separation system  Single Cyclone Technolo  Filtration system  Washable Microfild  Bin capacity (I)  Bin with Silver Ion treatment  Turbo power boost  Y  Allergy care plus system  COMFOR  Vertical parking position  Y  Easy bin empty  Quick brush release system  Y  Finger tip controls  Surfaces selector  All floors  | Time to recharge               | 2.5                       |
| Separation system  Filtration system  Washable Microfild  Bin capacity (I)  Bin with Silver Ion treatment  Turbo power boost  Allergy care plus system  COMFOR  Vertical parking position  Y  Quick brush release system  Y  Finger tip controls  Single Cyclone Technolo  Washable Microfild  O.  O.  Parking position  Y  Surfaces selector  All floors  Y  Surfaces System  Y  Y  Y  Surfaces System  System  Y  Surfaces System  System  Y  Surfaces System  System | Charging status indicator      | Yes                       |
| Filtration system  Bin capacity (I)  Bin with Silver Ion treatment  Turbo power boost  Allergy care plus system  COMFOR  Vertical parking position  Fasy bin empty  Quick brush release system  Yeasy driving system  Yeasy driving system  Yeasy driving system  Yest Surfaces selector  All floors   | Led - Battery status indicator | Yes                       |
| Bin capacity (I)  Bin with Silver Ion treatment  Turbo power boost  Allergy care plus system  COMFOR  Vertical parking position  Y  Easy bin empty  Quick brush release system  Y  Easy driving system  Y  Finger tip controls  Surfaces selector  All floors  | Separation system              | Single Cyclone Technology |
| Bin with Silver Ion treatment  Turbo power boost  Allergy care plus system  COMFOR  Vertical parking position  Y  Easy bin empty  Quick brush release system  Y  Easy driving system  Y  Finger tip controls  Surfaces selector  All floors  | Filtration system              | Washable Microfilter      |
| Turbo power boost Y  Allergy care plus system  COMFORT  Vertical parking position Y  Easy bin empty Y  Quick brush release system Y  Easy driving system Y  Finger tip controls Y  Surfaces selector  All floors Y   | Bin capacity (I)               | 0.45                      |
| Allergy care plus system  COMFORM  Vertical parking position  Easy bin empty  Quick brush release system  Y  Easy driving system  Y  Finger tip controls  Surfaces selector  All floors  Y   | Bin with Silver Ion treatment  |                           |
| COMFOR  Vertical parking position  Y  Easy bin empty  Quick brush release system  Y  Easy driving system  Y  Finger tip controls  Y  Surfaces selector  All floors   | Turbo power boost              | Yes                       |
| Vertical parking position  Easy bin empty  Quick brush release system  Y  Easy driving system  Y  Finger tip controls  Surfaces selector  All floors  Y  | Allergy care plus system       |                           |
| Easy bin empty  Quick brush release system  Y  Easy driving system  Y  Finger tip controls  Y  Surfaces selector  All floors   |                                | COMFORT                   |
| Quick brush release system Y Easy driving system Y Finger tip controls Y Surfaces selector All floors Y  | Vertical parking position      | Yes                       |
| Easy driving system  Y Finger tip controls  Surfaces selector  All floors  Y   | Easy bin empty                 | Yes                       |
| Finger tip controls  Surfaces selector  All floors  Y  | Quick brush release system     | Yes                       |
| Surfaces selector All floors   | Easy driving system            | Yes                       |
| All floors Y   | Finger tip controls            | Yes                       |
|  | Surfaces selector              |                           |
| 11 11 10 10 60 1   | All floors                     | Yes                       |
| Handle with soft grip  | Handle with soft grip          | Yes                       |
| Rubberised wheels  | Rubberised wheels              |                           |
| Integrated handheld Y  | Integrated handheld            | Yes                       |
| ACCESSORIE   |                                | ACCESSORIES               |
| Motorized brush Y  | Motorized brush                | Yes                       |
| Nozzle led lights Y  | Nozzle led lights              | Yes                       |

| Pet hair remover                           | `        |
|--|----------|
| Allergen remover                           |          |
| Crevice tool                               | `        |
| Short crevice tool                         |          |
| Long crevice tool                          | `        |
| Furniture nozzle                           |          |
| Dusting brush                              |          |
| 2in1 dusting and furniture nozzle          | `        |
| 2in1 crevice and furniture nozzle          |          |
| 2in1 dusting and furniture nozzle          |          |
| 3in1 crevice, dusting and furniture nozzle |          |
| Optional accessories                       |          |
| Extension tube                             |          |
|  | DIMENSIO |
